Visionary Leadership Skills Training Course

Price: £595.00

Course Overview

Do you have the ability to be a Great Leader?

Our two day leadership training course has been designed to develop the leadership skills of individuals ranging from team leaders through to middle managers. This course involves the development of practical leadership skills via the use of interactive role play sessions.

On the second day of the training course, delegates get the opportunity to lead a 'fictitious' company through the trials and tribulations of a financial year.

Designed to develop leadership skills, build confidence and motivate each delegate. A personal development programme will be identified for each delegate as part of the course.

What you will learn

At the conclusion of the course each delegate will understand:-

- Proven successful leadership traits
- Their own strengths and weaknesses
- A leadership style most appropriate to their own personality
- The importance of coaching, mentoring and delegation
- Team Building Skills
- How to communicate and listen effectively
