PRINCE2 - An Overview

Price: £150.00

Course Overview

Prince2™ is the de facto standard of project management methodologies. It provides not only valuable and widely recognised project management qualifications, but also an exceptionally flexible and adaptable means to successfully deliver many types of projects.

This one day course is suitable for New Project Managers, Team Managers, Supervisors, Project Support Staff, Project Administrators or anyone beginning work on a Prince2™ project.

What you will learn

This course is designed as the starting point for anyone wishing to attain these qualifications, or those wanting a higher level perspective of this method. This course will give delegates an appreciation of the Prince2™ method, explain the technical language used in the method and the rationale behind it.
